WELCOME FROM THE PREMIER

On behalf of the South Australian Government, it is an honour to welcome you to Adelaide for the 19th edition of the Australian Masters Games.

For eight wonderful days, Adelaide will be a hive of activity with more than 8000 participants, competing in 50 sports across 68 venues, representing Australia's largest multi-sport participation event. This is the Australian Masters Games, and it has returned to its spiritual home here in Adelaide - now its eighth edition in our city.

I want to encourage you to enjoy the very best South Australia has to offer. From world-class wineries to boutique restaurants & eateries, stunning coastlines to the majestic Murray River, and the vast, diverse outback to the breathtaking Kangaroo Island - you will be spoilt for choice. We have something for everyone, from the city to the regions, complemented by our generous hospitality.

Congratulations to all involved in this year's Games, from the competitors, support teams, coaches, event organisers, staff, volunteers, and spectators. The success of this event is only made possible because of you all.

I wish you all the best for the eight days of competition and festivities. Good luck to those competing and enjoy your time here in South Australia.

Peter Malinauskas
Premier of South Australia

MESSAGE FROM DR JANE LOMAX SMITH

Welcome back!

After four years, it's an absolute pleasure to have the 19th Australian Masters Games return to the City of Adelaide. In many ways, our city is the perfect host city for this event.

We have the infrastructure, the public transport, and the vibrancy that's needed when you're hosting Australia's largest multi-sport event. This year marks the eighth time Adelaide has hosted the Australian Masters Games.

We expect more than 8,000 competitors in Adelaide across the seven days. With about 70 per cent of competitors being interstate or international athletes, this is the time to show our city to the world.

There are 50 sports - from basketball to hockey - across around 70 South Australian metropolitan venues.

With Adelaide the centrepiece of the event, I encourage our interstate and global guests to check out our city's attractions, including our fabulous art gallery, the Adelaide Central Market, and unique Park Lands.

I wish all the competitors the best of luck in their chosen events and hope they enjoy their stay in our city.

Game on!

Dr Jane Lomax Smith
Lord Mayor, City of Adelaide

MESSAGE FROM NED COTEN

On behalf of the Confederation of Australian Sport, I welcome you to Adelaide for the 19th Australian Masters Games and thank you for your support of one of Australia's largest multi-sport events.

This is the eighth occasion that the Australian Masters Games have been held in Adelaide since the first event in 1987. In many ways South Australia is the 'spiritual home' for this wonderful event. Having been fortunate to participate in many sporting events in South Australia over a number of years, I can say from experience that you are in great hands and amongst a community that love and know their sport.

I would like to congratulate the South Australian Government and South Australian Tourism Commission for showing such a strong commitment to this event. Similarly, we have been fortunate to work hand-in-hand with our presenting partner, Unisport Australia, along with other sponsors and suppliers, and I would like to express my gratitude for their significant contributions. Thank you to the 50+ sports who will feature in the event program - the support of National and State Sporting Organisations; the South Australian Tourism Commission, the Adelaide Economic Development Agency, City of Adelaide and the City of Holdfast Bay have been outstanding.

At the end of the day, this event is about YOU the athlete and the desire for competition, camaraderie and great fun. We are confident that you will enjoy this event from every perspective and hope that you will take advantage of everything this celebration has to offer.

The 19AMG tagline - #XPLOREINDULGEXCEED".... we hope you do all of that!

Ned Coten
President, Confederation of Australian Sport

MESSAGE FROM JANE-WOODLANDS-THOMPSON

Traditional reimaged. Let's play!

The 19AMG Team is super proud to welcome competitors, supporters, our valued partners and stakeholders to Adelaide for the 2023 edition of the Australian Masters Games.

For the next eight days, participants will chase medals, strive for personal bests, discover quirky new places in beautiful Adelaide and South Australia, and partake in an incredible daily social program. License to have the time of your life!

To all of our staff, volunteers, officials, sports trainers, state and national sporting organisations, corporate partners, local businesses, and South Australian Government, thank you for putting so much 'skin in the game' to help deliver what will be a Games to remember.

We encourage all of you to make the most of your time at the Games, reignite old friendships and make new ones, celebrate those great moments at the fields, courts, pools and our other magnificent sporting arenas and also celebrate the joy that sport delivers off field. With so much to offer in and around the city and State, get out and take advantage of our restaurants and bars, wellness activities, tourist attractions, wine country and beaches.

Wishing all competitors the best of fortunes, and we look forward to catching you all 'back at the Clubhouse' after play for a 'bevvy and feed' at SkyCity Village from 4pm daily.

Jane Woodlands-Thompson
General Manager, 19th Australian Masters Games

WELCOME TO GLENELG

PLAN YOUR JETTY ROAD, GLENELG EXPERIENCE!

Spring is here and the weather is set to go from excellent to fabulous! It's the perfect time to stretch your legs along one of Adelaide's best beaches, or enjoy a dinner watching a picturesque sunset.

There is so much to see and do, not to mention the countless food and beverage options along Jetty Road, you'll need more than a day to experience Glenelg. Make yourself at home in one of many accommodation places; whether you choose a holiday house, a 5-star suite or a serviced apartment, you will love staying at the Bay.

RELAX, UNWIND AND ENJOY THE WALK!

Walking is not only a healthy pastime, it also happens to be one of the best and most rewarding ways to explore Jetty Road and Glenelg's beautiful coastline. The 7km Glenelg to Seacliff Coastal Walk is great for those wanting to enjoy a day with friends and family.

At a gentle amble, the Coastal Walk should take about an hour and a half each way, depending on how captivated you are by the scenery, or enticed by the unique sculptures along the way.

CAFES, PARKS AND RESTAURANTS

If you're planning your next catch up with friends try one of the many cafes, restaurants, pubs or take away spots and enjoy the seaside atmosphere. Jetty Road Glenelg is the perfect place to enjoy excellent food and some quality retail therapy, or relax and take in the sunset at the end of the day with an ice cream. There are loads of great parks to keep the little ones entertained too!

PAN-AMERICAN MASTERS GAMES

AUSTRALIAN MASTERS GAMES

For the second time in its 36-year history, the Australian Masters Games (AMG) is delighted to have signed a Memorandum of Understanding (MOU) with an international neighbour, this time the 2024 Pan-American Masters Games - Cleveland (PAMG) (@clemasters2024).

The MOU is a joint effort by both organizations to promote the sporting endeavours of our global over 30s community.

Both Games events are of similar size with the PAMG held every four years and offering nearly 30 sports; and the AMG working across Australia with international competitors held every two years and offering 50 sports. PAMG will take place nine months after AMG in Cleveland, Ohio, marking the first PAMG will be held in the United States.

AMG and PAMG look forward to working together to promote each of our events and to encourage the spirit of the Games across the world, along with cross-promotion of both events through websites, newsletters, social media and exchanging Games information. Make sure you swing by the PAMG booth at SkyCity Village in October and say hi to Steve and his team!

AGEING WELL

Everyone has rights. And these rights do not diminish as people age. This includes the right to participation, to have one's views sought and valued, to make decisions and have a say in government decision-making. Older people are the experts on what is important to them. Engaging with older people can help to dispel myths and stereotypes associated with ageing.

By engaging with older people, many benefits are realised for older adults, government and the broader community. The community as a whole also benefits from engagement with older people, in particular the shared sense of values and commitment in matters that relate to all people, no matter what age.

Office for the Ageing can provide advice and support to ensure you have what you need to include older people in your engagements and ensure you are using best practice.
